

As we begin a new year of programs at Herzl-Ner Tamid, our new and improved Men's Club also begins anew. Our goal is a revitalized organization, activity and project oriented, with something for everyone.

Some of the programs for which we provide leadership and support at HNT are the Chanukkah and Israel Independence Day celebrations, setting up for the High Holy Days, building the Succah, the Lag b'Omer barbeque and bonfire, the Frankel Religious School year-end celebration, and the annual Yom HaShoah memorial candle project. We also have some purely fun events, such as Wine Tasting parties, and we are always open to new ideas.

However, one of the most important things we do is to provide financial support and scholarships for our youth programs at HNT, giving direct financial aid to USY and USJ. We also provide scholarships for Camp Solomon Schechter, allowing our children to enjoy this important experience through which many of them create a life-long commitment to Judaism.

We are affiliated with the Federation of Jewish Men's Clubs, the national association under the umbrella of the United Synagogue for Conservative Judaism

If you have never participated in Men's Club, this is your opportunity to become involved in our service and social activities, and in the Synagogue Community. We are looking for your energy, your new ideas and your leadership to take us into the future.
