

Religious School Tuition Mitigation Form

School Year: 2016-2017

Herzl-Ner Tamid is committed to providing access to our Frankel Religious School. Providing that access is a communal responsibility for which we all must bear the cost, each according to our means. Your support is both appreciated and important.

The fee structure laid out on the registration page, lists the support needed from each of our member families. If you are not able to meet that fee due to financial hardship, we ask you to demonstrate that need so that we can more easily justify asking others to contribute at higher levels to fill the gap. Be assured that all forms reviewed by the Dues Committee will be kept strictly confidential.

Please complete the form below. If we have questions about the mitigation requests, we will contact you. Otherwise your bill will be amended as requested. **However, we must have a credit card or postdated checks before your child may attend the Frankel Religious School.**

Please note that your account must be in good standing and that the B'nai Mitzvah fee must be paid before your child's Bar/Bat Mitzvah can occur. The B'nai Mitzvah fee cannot be mitigated however it can be paid monthly through an arranged payment schedule.

Thank you again for your continued support.
