Following the program, and inspired by the early-pandemic YouTube series by John Krasinski, we invite you to join a 30-minute breakout room to share heartwarming stories you've witnessed or participated in sometime in the past year, as well as catch up with folks you haven't seen in a while.

Rabbi Jacob Herber

## A Message from Rabbi Jacob Herber

Purim has to be one of my favorite holidays. It's got everything: a text with an extraordinary story, and costumes and fun for every age! Unfortunately, because of the Coronavirus pandemic this year we won't be able to gather in person to celebrate. Like last year, our Purim service will be streamed online. Tailored for an online audience it will, nonetheless, be filled with the Megillah reading, great songs, and great schpiel. I promise!

What I'd like to focus on for the moment, however, are two facets of Purim that often get lost or forgotten in all of the holiday's merriment. One of them is giving mishloach manot, gifts to others, in celebration of deliverance from near annihilation. I really hope you'll participate in HNT's Mishloach Manot Fundraiser. The other is fulfilling the commandment of Matanot Laevyonim – giving gifts to the poor. It's a central component of Purim, and the holiday can't be celebrated completely without fulfilling it. A core value of Judaism is ensuring that we think of those in need, particularly at the times of our greatest joy. It's why we break a glass at the end of a wedding ceremony. At a time of great joy, we make it a point to help those who don't have the same resources that we have. We take the time to act on behalf of those who may not be able to celebrate like we can.

Actually, the mitzvah of Matanot Laevyonim transforms Purim into a holiday that teaches us how to live life in general. On the one hand, we learn from our traditions that we must celebrate with great joy whenever we can. If anything, this pandemic has taught us that life is too short and that it shouldn't be taken for granted. We should celebrate the goodness in our world and the successes with which we've been blessed. On the other hand, Purim teaches

us that it's our responsibility to provide for everyone's happiness, not just our own. So I hope you'll use Purim as a time to rededicate yourself to acts of loving-kindness. I hope you'll participate in HNT's Small Acts of Kindness Challenge 248. You may know that from (secular) New Year's Day (January 1) to Jewish New Year's Eve (Erev Rosh Hashanah - September 6) there are 248 days. There are also 248 positive mitzvot (commandments) out of the 613 enumerated in the Torah. On this special Day of Service, each of us can be challenged to do at least one act of kindness or service for another. You can log your act of kindness [here](#) so we can print them and inspire others to act too. I hope you'll get involved with and support the work of our Social Action Committee. And I also hope that you'll give generously to the many organizations in our community, from Jewish Family Service, [jfsseattle.org](http://jfsseattle.org), to Mazon: A Jewish Response to Hunger, [mazon.org](http://mazon.org), who are helping those in need. Remember, we can't be truly happy unless we do our best to spread joy to the entire community!

Hag Purim Sameah – Wishing you a very Happy!

–RABBI JACOB HERBER

Alex is the son of Allen and Olga Karpman, he lives in Issaquah with his parents and two siblings and is a 7th grader at Pacific Cascade Middle School. Since the start of COVID-19 Alex was volunteering with several community farming projects and organizing and distributing food to people in need. Lily is a 5-year member of the King County 4-H Horse Program and currently serves on the Student Leadership Board for the Holocaust Center for Humanity. To make Lily's Bat Mitzvah more meaningful she is participating in the Twinning Program through Yad Vashem. Her twin, Lily Singer, was murdered during the Holocaust and never had the opportunity to become a Bat Mitzvah. This honor of remembrance is special to Lily since her grandfather, Charles, is a survivor of the Holocaust. While Lily enjoys traveling, reading, listening to music, hanging out/zooming with her friends she most enjoys riding her horse, Abbie. For Lily's Bat Mitzvah project, she has helped cook for Teen Feed and is hosting a food drive for JFS on Friday, February 12th at HNT.

In addition to video games, Uri loves playing guitar and MANY other instruments, riding his bike, building things (and being generally creative), cooking dinner for his family (he makes delicious meatballs) and learning new things. One of his favorite things to do is Beta Test for Reality Break Escapes!!!

For his Mitzvah project, Uri decided he just wanted to be helpful and has been looking for opportunities to step in. He has gone to Hoquiam to help in his grandmother's yard, help her neighbor's with various chores and even faced his fears and BRAVELY rescued a tiny puppy from UNDERNEATH A HOUSE!!! He takes care of his sister's fish tanks while she is away at school and helps the neighbors on his street when the need arises.

# A Message from Director of Education Dr. Eliyahu Krigel, CJE

## A Dvar

*“From the day I started to think politically and to develop my own moral values, from my earliest youth, I have been an ardent defender of Israel.”*

—STEVEN SPIELBERG (1946 – PRESENT)

DR. ELIYAHU KRIGEL

The Masa program at HNT is our answer to combat the challenge of student disengagement after the bar or bat mitzvah ceremony is celebrated. We started Masa at HNT in 2016 because our high school program needed some loving attention and care. During the first year of Masa, I was honored to venture with

15 brave students to New York City to learn about the Jewish immigrant experience. The next year we traveled to Los Angeles to learn how Jews tell our story. The second year we enhanced the program by adding a day each month devoted to our course of study to help complement and enrich the overall learning experience. The third year of the program I led the students on a journey to Washington, D.C. and Philadelphia where we learned how to lobby for causes near and dear to our hearts. Last year I traveled with the students to Selma and Orlando to learn more about the Jewish contribution to the Civil Rights Movement of the 1960s with Etgar 36. The success of the Masa program has been achieved thanks to the incredible generosity of Gwenn and Dean Polik in honor of Valerie Polack z”l.

In the Masa program we don’t tell our students what to think. The program is focused on providing students with tools used to deepen Jewish identity linked to Jewish values. Spielberg’s quote above emphasizes the importance of advocating for Israel in a passionate

and knowledgeable way. This past year we have been virtual with the Masa program. 20 students at HNT have engaged monthly in classes through Tzedek America aimed at social justice issues from a variety of perspectives. We are pleased to announce next year the Masa program will be headed to Israel. Please see details and more information below:

### **The Gwenn and Dean Polik and Valerie Polack z”l Israel Class and Trip: Understanding, Advocating, and Connecting to Israel**

**Who:** Calling all 8-12th graders from HNT and beyond! The Masa program at HNT will be venturing to Israel next year. Space is limited to 20 students, first come first serve. Join us for a trip of a lifetime!

**When:** Tuesday evenings from 6:30-8:30pm starting in the Fall of 2021: 9/14, 10/12, 11/9, 12/7, 1/11, 3/8, 4/12, and 5/10 + a trip to and from Israel with Ramah from February 17-28, 2022!

**What:** On the trip students will have the opportunity to travel with the Ramah Israel Institute. Among many other things, we will celebrate Kabbalat Shabbat in the Old City of Jerusalem, tour Yad Vashem, visit the Machnaeh Yehuda Shuk, explore the Davidson Center Archeological Park and the Southern Wall excavations, ride camels in the desert, ascend Masada, relax at the Ein Gedi Hot Springs, tour Tzfat and meet a local glassblower, walk the old city of Jaffa, explore Tel Aviv, stay at Kibbutz Ma’agan, and so much more!

- Due to the incredible generosity of Gwenn and Dean Polik, we can provide this program for \$2200 to HNT member students who sign up before

February 26, 2021 (\$2700 for non-members who sign up by February 26, 2021).

- After February 26, the cost will be \$2500 for members and the cost for non-HNT members will be \$3000.
- Limited need-based assistance may be available for students of HNT members due to a financial hardship.
- Registration in the Masa program at HNT includes: 8 class sessions (dinner and guest speaker included), air transportation to and from Israel, lodging, and the entire program for the 10-day trip. Only students who attend the classes can travel on the trip.
- No refunds will be provided for this trip due to cancellation except if HNT or Ramah cancels the trip or if we are unable to fill your spot. Our effort to complete the registration 11 months prior to the trip is driven by airline ticket prices. If the trip is postponed, we will work with you on rescheduling as appropriate.
- Special presenters on various dynamic aspects of Israeli society and culture will join us during our monthly sessions to help enrich our curriculum, prepare for the trip, and then reflect on our experience.
- We are hopeful that by September 2021 in person gatherings for school will be permitted. In the event that we will have to meet virtually, the program will still continue remotely. If we are virtual, there will not be dinner provided but we will continue to meet with special guests and will engage with our programming on Zoom.
- All students must have a valid Passport to participate on the trip. All expiration dates for Passports must be 6 months prior to the time of travel to Israel.

### Building Beloved Community Black-Jewish Bible Study

A little over a year ago, we put together a program of Black-Jewish Bible Study called "Let My People Go." This experience was met with such warmth and enthusiasm that we now have:

- A Black-Jewish Clergy Bible Study group for Greater Seattle that has been meeting monthly for over a year.
- An intercity Black-Jewish Clergy Bible monthly study group comprised of clergy from Seattle, Atlanta, New York, Detroit and Chicago.

We are now ready to broaden the circle and provide a monthly virtual Bible study experience for the Black and Jewish communities of our area. Each month a rabbi and a reverend team will lead us in study, starting from the beginning of Genesis.

**First session:** Opposites Attract: the Adam and Eve Story

#### Clergy Leaders:

Rabbi Jay Rosenbaum and Pastor Mike Thomas

**When:** February 10th, 12-1:30pm.

**Where:** Virtually.

**Future sessions:** March 10, April 14, May 2 and June 9.

#### Join us on Zoom here:

<https://us02web.zoom.us/j/2280574426>

We truly hope you will join us. With the rise of hatred in our country and around the world, the rejuvenation of an old friendship offers us a ray of hope in tumultuous times. Help us to more fully realize the Rev. Dr. Martin Luther King's historic vision of a Beloved Community!

All the best,

Rabbi Jay Rosenbaum  
Dr. Mark Jones
