Pay It Forward Fund

Established in Honor of **Carol Maslan z"l** and **Nadine Strauss**

This fund is dedicated towards mitigating housing, food scarcity, and direct human need for those outside our HNT community.

It is established in memory of Carol Maslan z"l, a 25-year member of the HNT staff who exemplified, through her incalculable acts of kindness to those in distress, what it means to make a difference in a person's life. In the Jewish tradition we teach the value of mitzvah goreret mitzvah (one mitzvah leads to another mitzvah). For Carol, mitzvot were abundant and all of us were the beneficiaries of her grace. One of Carol's most enduring concerns, before her life was cut short by cancer, was her uncertainty of whether she made a difference in people's lives. This fund helps ensure that her passionate belief in helping those most vulnerable should be a core value and priority at HNT.

Upon her retirement, after 31 years of service as HNT Executive Director, Nadine Strauss shares the naming of this fund in recognition of her stewardship, mentorship and commitment to HNT's many social action/justice initiatives. Throughout Nadine's tenure she has helped to infuse social action and social justice into the very soul and culture of HNT. In a world where it can feel like our acts are just drops in an ocean, Nadine used her position at HNT to model that every action matters and in fact, what we do with our faith has the potential for changing not just ourselves but our whole community.

Nadine and Carol were co-conspirators in the art of Tikkun Olam, Repairing the World. Together they partnered in helping mobilize the HNT community to channel their faith into action, both for those who are part of the HNT community and equally for those not within the Jewish communal sphere. After all, if we truly believe that Elijah heralds the coming of a better world, one where there is enough food and a place to sleep for every human, then we must do more than just open the door for him on Passover. A redeemed world begins with righteous acts for all humans.

HNT is blessed through the generosity of so many of our members with other funds such as the Mitzvah Corps and discretionary funds that help address personal hardships of our congregants. Though we can and must do more, it is already within the fabric of our HNT culture to care for our own family. In establishing this fund, we are asked to broaden our definition of family, seeing the human family as our own.

The expansive message of this new fund is that our HNT family believes that we must also provide for all people regardless of affiliation or faith identity, and for those who receive to know that when they fell on hard times, it was the Jewish community who came to support them. If there is any hope for a more peaceful world, it is through acts of generosity that transcend identity politics and hold fast to the notion that we are each B'Tzelem Elohim (made in the Divine image) and worthy of care and love.

Many thanks to those families listed below who seeded this fund (HNT policy is that a new named tribute fund must be seeded with a minimum of \$10,000): Zane & Melissa Brown, Marilyn Corets & Adam Mhlstin, Rob & Bonnie Cape, Karen & Jonathan Langman in memory of Will Kraft and Colin Langman, Audrey Covner & Dianne Dougherty, Bruce & Peggy Gladner, Ellie Halevy & Larry Kalman, Stacy Saal & Brian Moco, Dena & Drew Herbolich, Susan & Lonnie Edelheit, Bob Maslan & family, Michael Adler & Michelle Goldberg.

If you want to honor Carol or Nadine for their service to HNT or to remember or honor a loved one, please consider a donation to this fund to help continue our outreach efforts. We will send a card to your designee to let them know you contributed in their name.

This is also a perfect fund for all of you whose work life involves matching funds, as the terms of this funds will qualify. All donation's can be made online at h-nt.org/donations or by calling the synagogue office at 206-232-8555.

SO LONG NADINE! Farewell Remarks from Nadine Strauss, Executive Director Reprinted from Annual Meeting May 25, 2021

(Praise and appreciation comments preceded the following remarks)

It is a rare gift in life to be able to take some measure of direct influence of one's legacy while you are still alive. No worries, I will be working around here a few more weeks and I am blessed to have my health! However, I find myself in a deeply contemplative space as I prepare to retire from my job as Executive Director. Of course, all of us in some way or another can attempt to influence the way we will be seen once we leave the spaces we occupy, and I am no different. So, I have given a lot of thought to the imprint I hope that I am leaving as I conclude this chapter of my professional time here at HNT.

I treasure and am so very grateful to the friends I have made, the teams I have worked with, both lay and professional, and am forever thankful for being able to be part of this exceptional Jewish community. No doubt, these decades long relationships will continue and flourish beyond the scope of my professional position.

In addition, I want to call out my daughters, Miriam and Julia, who literally grew up in our HNT building – patiently waiting those days and nights as I worked on this or that and as I recruited them for many tasks and jobs around here, seen and unseen, throughout the years. They learned that jobs of service are family jobs which involve a lot of compromise and sacrifice.

Each of my daughters, however, chose professions of service; Miriam is the senior rabbi, for over a decade, serving a Cincinnati congregation with a passionate social justice focus. Julia is Director of Small Business Grants and the Governor's Life Science Sector Lead for the WA Dept. of Commerce. Both of them have leant me their professional guidance, especially this last year, and rarely voiced doubt that I needed to do what I did those long days and evenings. Together with my very supportive family, the compassionate and patient ear of good friends, and the loving heart of this vibrant HNT community, I was able to stay in that office these many years looking forward to the challenges and opportunities each day had to offer.

I've worn many 'hats' over the years in this job, and doing so was possible because we all did the work as staff and communal members towards creating mutual trust and respect, nurtured through collaborative effort, guided by common purpose, and sustained with a healthy dose of humor.

After three decades at Herzl-Ner Tamid, I have been blessed with being present to the whole swath of human experiences; from birth to death and everything in between. It was my job to be somewhat invisible; to make sure that the lights were on, that the budget was balanced, and that our sanctuary was safe. In other words, to ensure that the scaffolding of our congregation was secure so that the community could do what we are supposed to do: worship, celebrate lifecycles, care for the stranger, and show up for one another. I found that I could not be separate from the work of "running the ship" and the work of being an active and engaged Jew.

In truth, the most outward expression of my Jewish identity and spiritual practice has played out in my professional experiences. And there has been

little invisible about that practice.

Beyond my relationships, the other sacred gift I have engaged in through my time at HNT is the act of connecting my faith with tangible action in the world. Be it the Ellen Yusim annual blood drive, our many needs drives, connecting with other organizations in justice issues or just doing my part to connect those less visible with needed support has enriched my life in so many ways. I have never felt more Jewish or more engaged with my community than when I am working towards the mitzvah of Tikkun Olam, healing the world.

It is my sincerest hope that the enduring footprint I leave on the HNT community is one of service. We are at our best when we share our abundance with all people – both those who are part of our sacred community and those who are our fellow human travelers. It is why I'm so honored that the Carol Maslan z"l & Nadine Strauss Pay It Forward Fund has been established to mark my tenure and that of my colleague and dear friend of 25 years, Carol Maslan z"l. This fund and initiative are structured to garner financial support for all people in need, not just the ones in our closest proximity. Its design is inspired by Carol's fervent wish to make a difference in people's lives through personal connection and direct help with food and housing. The details of the inspiration and the machinations of this fund as well as grateful appreciation to those who so generously seeded it can be found on [page 2](#).

If I have learned anything from my time as Executive Director, it is that we must rely on our community to be an exemplar of connection. It is our humility and generosity that lays the foundation for a strong spiritual life, and no one I have ever met has regretted helping others.

In this spirit, I hope you consider a gift to the Carol & Nadine Pay it Forward Fund. Not to honor me. Not even to honor Carol Maslan z"l. But rather, to honor the sacred responsibility that is the core of Jewish identity.

Our legacy is almost always about how we walk our talk. Thank you – to each of you – for giving me the opportunity and the platform for which I have attempted to walk the best part of my Jewish faith through acts of service and witness.

As our sacred texts teach:

Keep two pieces of paper in your pocket at all times.

On one: "I am a speck of dust,"

And on the other: "The world was created for me."

-Rabbi Simcha Bunim of Peshischa

Message from the President

This first year in my role as HNT President has not been anything close to what I ever expected it to be, but nonetheless it's been a fulfilling experience. Knowing that our community can come together to support one another and those beyond our membership, has been

very reassuring. And while it is unfortunate that this has been Nadine Strauss' final year as Executive Director, I don't think there's anyone else who could have stepped up and found their sweet spot this year in the way that Nadine has. Nadine has been our constant, our go to, and our friend for over thirty years. She has been with us through our simchot and our times of loss. She has given so much of herself, far beyond what is expected of an Executive Director, as she has made it her mission to support congregants and communities in need. The pandemic has created challenges for everyone this

past year, but those challenges have given Nadine the opportunity to expand our reach and do what she does best, supporting others. There is no way to properly thank Nadine for all that she has done, but we can continue her mission. I encourage all of you to look around, identify those in need and ask yourselves, "how would Nadine Strauss lend support." Whether it's a simple phone call or gathering essential needs for those who are suffering, it's what Nadine has done and will continue to do, and it's what we as a community should continue to do as well.

Thank you for your continued support this past year. I look forward to working together, and hopefully seeing you, in our future.

Sincerely,

- ILYSE WAGNER, HERZL-NER TAMID PRESIDENT

A Message from Rabbi Jacob Herber

Rabbi Jacob Herber

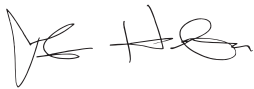

With this, the first edition of the Hakol for HNT 2021/2022 fiscal year, we can look back with satisfaction and pride on what's been a very full and fulfilling year at HNT, in spite of the many challenges we continued to face due to the Covid-19 pandemic. It's especially appropriate to do this now as we come to the end of the very long and accomplished tenure of our Executive Director, Nadine Strauss. Nadine has been an invaluable advisor to the clergy, lay leadership, and membership of our congregation. She's been a mentor and a friend to the administrative staff she has assembled over the course of her tenure. While my time working with Nadine has been relatively short, I am immensely grateful for the advice, counsel, and support she's provided me as I started my tenure as Senior Rabbi during an enormously challenging time. At HNT we see the relationship between lay and professional leaders as a sacred partnership, and no one has done more to exemplify this than Nadine. Nadine, todah rabbah for all you have done for us, for staying on board to assist with my transition, and for being such an inspiring and effective administrator.

I also want to express my admiration, respect and gratitude to my enormously talented co-workers,

our professional staff. It is hard to imagine a more dedicated, hard-working, talented, kind and caring group of synagogue professionals than Cantor Brad Kurland, Dr. Eliyahu Krigel, Rebecca Frankel, Arianne Slayter, Melanie Miller, Glin Marten, Ashley Rowland, Rei Walker, and Elaine and Chhoeuk Soeun. Supporting the holy work of a synagogue during a pandemic isn't easy. They have more than risen to the challenge. Their dedication and devotion to our congregation is inspiring. We are so very lucky to have them, and I am personally grateful to them beyond words for their support during this, my first full year at HNT, and for their partnership in our sacred work. I am also profoundly grateful for the invaluable support I've received from our Rabbi Emeritus, Rabbi Jay Rosenbaum, and for the very special partnership I've shared with our President, Ilyse Reiter Wagner.

One final note. I was incredibly excited about returning to congregational life after a two-year hiatus working for the Shalom Hartman Institute North America. I was even more excited about leading Herzl-Ner Tamid as its Senior Rabbi. I never bargained that return and the beginning of my tenure as your Rabbi would coincide with a pandemic. It is

challenging enough to transition to a new community and a new congregation under what we used to refer to as “normal circumstances.” It’s significantly more challenging when it happens during a time of lockdowns, social distancing, masks, and life via Zoom. But all of you, my HNT family, have done whatever was possible to welcome and support me. And for that, I am enormously grateful! Thank you!

-RABBI JACOB HERBER

Message from Social Action Co-Chairs

Because of your hard work, generosity, new ideas, and dedication, these two years have been extremely rewarding for us both. Our Social Action Committee, and HNT as a whole, were able to make a big difference in our community, especially over this past year during the pandemic. We are particularly proud to note the increasing and meaningful contribution of the Frankel Religious School families to our social action efforts over these past 2 years.

Thanks to the precedent set by our resourceful and compassionate Executive Director, Nadine Strauss, the Herzl parking lot has served as Social Action Central during the pandemic. We have held many successful collections there this year: JFS Food Drive, Leschi Elementary Book Drive, JFS Personal Needs Drive, and oh so many more. We are grateful to all of the Herzl staff members and to countless volunteers for supporting these efforts during these difficult times. We are also pleased to have continued supporting Congregations for the Homeless as well as Teen Feed without missing a beat, despite the challenges of the pandemic.

The end of our rewarding and productive two-year term ended on May 31st. It has been an honor to represent HNT while contributing to our community. We are thrilled to announce that our new Social Action Committee Co-chairs are Carol Michel and Carol Stockton, both of whom are long-time HNT members who have professional experience with the populations we are supporting. Here's to another year of plentiful and meaningful social action in our community!

A Message from Director of Education Dr. Eliyahu Krigel, CJE

A Dvar

“Where there is no vision, the people perish.”

—PROVERBS 29:18

DR. ELIYAHU KRIGEL

Holding a positive vision of what the world may look like in the future helps sustain our long-term efforts. When we lack vision, we have a propensity to stumble. We might perish without the vision because the vision helps us believe in something more than just ourselves and our current reality. As we move into the summer, the quote above from Proverbs is a reminder of the importance

of visioning and reimagining. The FRS reimagining task force has diligently worked on creating a healthy and holistic vision for the future for FRS where everyone has a safe place at the table of learning. The pandemic has turned our world upside down, but it will not stop us from learning and moving forward with our most important rites of passage and celebrations. The students, teaching assistants, teachers, and parents at FRS have persevered this year through it all. We are still standing strong together. Kol HaKavod, all the honor, to the FRS community for showing grit and determination this past year and into the future!

The following are the plans in place now for FRS for the coming school year only. We will continue to reevaluate and modify our program for this next academic school year especially for second semester.

Please register for FRS for the 2021-2022 academic school year with this link below so we can plan accordingly:

h-nt.org/FRS-registration

Further HNT reopening plans are in the works. Expect additional details this summer. Thank you for your patience and consideration as we carefully and thoughtfully continue to work on our protocols and safety plans. The sooner you register the better so we can plan ahead for a safe, fun, fantastic year of learning together.

We have reimagined FRS to plan for a rewarding learning experience in the following way:

Pre-K – 5th Grade:

In-person* learning on Sundays 9:30 AM -12:15 PM beginning 9/12/2021.

Students will have the opportunity to:

- Lead two Zoom Noar programs
- Participate in two create-at-home shelter meals
- Engage in additional opportunities and programming as a class

**For interested families, there will be an enrollment option for your child(ren) to participate exclusively in a remote fashion. This multi-age virtual classroom will be taught by an FRS teacher during school on Sunday. If you would like to enroll in the virtual option, please fill out the regular enrollment. Once enrolled, click the following link to enroll in the FRS virtual only option: <https://hnt.wufoo.com/forms/frs-virtual-only-option-20212022/>*

3rd – 7th Grade:

Remote learning on Tuesdays 4:30 PM - 6:15 PM beginning 9/14/2021. We will reevaluate this remote option second semester.

After enrolling in FRS, an alternative option is to enroll in the Mishkan Program on a day other than Tuesday for an additional fee. Arrange for 6-8 FRS students in

one of the local area students houses or at another pre-approved location for in-person learning with an FRS teacher.

Enroll in the Mishkan program with this link:

<https://hnt.wufoo.com/forms/frs-mishkan-program-20212022>

6th & 7th Grade:

In-person learning on Saturdays 9:30 AM - 12:15 PM beginning 9/18/2021.

On days when there is a bar or bat mitzvah at HNT or remotely, students will only attend the service remotely with the teacher's laptop even if they are in the building and the bar or bat mitzvah is also in the building so as not to impact the guest list of the families.

8th – 12th Grade:

The Masa Program will meet once a month on Sundays from 4:30 PM -6:30PM at HNT with the plan of taking a ten-day trip to Israel in February 2022.

We have worked hard to recreate a robust program next year while keeping the FRS tuition the same. We will continue to reevaluate and modify this program. If you start remote you can transition to in-person learning. Protocols in place include, but are not limited to, wearing masks and social distancing. HNT and FRS will share more details by June 30 regarding our safety procedures.

Thank you to the FRS reimagining task force for contributing helpful suggestions to assist in making FRS the best it can be:

- **Deborah and David Beder**
- **Linda Krisher**
- **Michelle Kulp**
- **Karen Langman**
- **Lindsay O'Neil**
- **Kathy Packer**
- **Brooke Pariser**
- **Jaime Slutzky**

If you have questions, please feel free to contact Dr. Eliyahu Krigel, Director of Education, at HNT at elياهو@h-nt.org or 425-559-3739 (cell). Thank you for your support and collaboration in this important work!
