A Message from Rabbi Jacob Herber

Rabbi Jacob Herber

“And Moses said to the Israelites: See, the LORD has singled out by name Bezalel, son of Uri son of Hur, of the tribe of Judah. He has endowed him with a divine spirit of skill, ability, and knowledge in every kind of craft.” (Exodus 35:30-31)

During the very challenging Covid months of last Winter, with more than one Bar/Bat Mitzvah occurring at congregants' homes during the same week, we quickly realized that the one portable Aron (Ark) we have at HNT was not enough. We were grateful that UW's Hillel allowed us to rent their Aron, but we recognized that this quick fix was unsustainable. We knew we needed a second Aron, that could be easily transported to a congregant's home.

Ilyse Wagner, our Synagogue President, suggested I ask Jerry Weiser to build it. I had heard that Jerry had a passion for and possessed great skills for woodworking, but I had no idea that he would throw himself so deeply into the project. Together we would meet over Zoom looking at catalogs featuring cabinet and storage units for a design that would fit best our needs. We would FaceTime together while he was in his woodworking shop so that he could show me the progress of his work: he showed me the raw material

wood that he had just purchased, and then the sanded and stained pieces he had prepared. Jerry even built a full-size prototype to give me an idea of what the final version would look like.

When Jerry and Judy finally dropped the Aron off at the synagogue in December, I had no idea he would deliver more than a utilitarian Ark, but a work of art, an absolute masterpiece. All of us who were present, Merav, Ashley, Melanie, and I were overwhelmed and completely mesmerized by the gift Jerry created with his hands and heart. Jerry is the Bezalel of Herzl-Ner Tamid! As you peruse the accompanying photos you will see he has built the Aron with exquisite attention detail, and with such love. It will surely inspire all at HNT who use it. I only wish I could be around in 2525 when the time capsule Jerry built into Aron's bottom will be open! On behalf of our entire congregation, thank you Jerry!

Message from the President

Below is something that I shared at work in the days following the events that occurred last month in Texas...

Many of you may have read about the hostage situation that occurred at a synagogue in Texas this past weekend. I'd like to share how this affected me. While these events were upsetting, they weren't shocking. As a Jew, there is a very direct line to 'this could have been me.' This is the reality of being Jewish in America today (although it's not unique to the US and it's not anything new). My synagogue has an armed security guard, as do most, and security is a constant topic of conversation. I know that I take a risk every time I enter the synagogue, every weekend when I attend Shabbat services, and every

time my children participate in a synagogue-based activity. I am always aware of who is around me in the synagogue, and I know where all of the exits are. This is my reality, yet I keep showing up because my faith, my community, and my traditions are important to me, and I will not be driven by fear.

I look forward to celebrating with all of you at our FUNdraiser later this month where we will have a chance to enjoy an online interactive experience together while raising money to support the gap in our programming costs that isn't covered by our annual commitments. Please register for the February 12 program and donate towards this cause at h-nt.org/legacy

HERE'S HOW IT WORKS IN THREE EASY STEPS:

1. Look for your flyer in the mail and email with the website and your personal login code
2. Go to the site and log in
3. For \$5 each, check the names of those you wish to receive a gift. Each name you check will get ONE gift with a greeting listing you and anyone else who sent to them.

There is also an option to reciprocate gifts – to ensure that you send Mishloach Manot to anyone who sends to you, even if you forgot them on your list. All proceeds benefit our HNT community.

PLACE YOUR ORDER BY THURSDAY, FEBRUARY 24 AT 5:00 PM!

HELP REDUCE WASTE!

If you are receiving Mishloach Manot, you will need to 'opt in' by Wednesday, March 2 by responding at h-nt.org/MM with whether you'd a.) like to receive your chocolates, or b.) prefer to receive only a list of who sent to you so the gift cost is donated back to support HNT.

We hope everyone will want to enjoy the treats, but not responding will indicate that you want to receive your list only, without the chocolates.

Christians and Jews in Conversation: Led by Rabbi Jay Rosenbaum and Reverend Elizabeth Riley

Review: Two Paths to One God: Jews and Christians in Holy Difference

Time: Monday evening, February 21, 7-8:45pm, on Zoom

Fifty years ago, the Christian world revolutionized its relationship with the Jewish people by rejecting the teaching of contempt, the belief that Jews were to be blamed for the death of Jesus. This led to a dramatic decrease in Christian antisemitism. But, with antisemitism on the rise, the transformation of Jewish-Christian relations can serve as a model for all of us.

In this class we will review what we discussed in our January 2021 class and we will prepare ourselves for our experience of visiting each other's places of worship.

Israel Matters: How Christians and Jews May Think Similarly and Differently About the People and the Land

Time and Dates: Monday nights on zoom, March 14, 21, 28, April 4th, 7-8:45pm

We will explore Jewish and Christian perspectives on what Jews call The Land of Israel and what Christians (and sometimes Jews) often refer to as The Holy Land. What are the roots of our perspectives? Where do we differ? And, where can we find common ground?

A Message from Director of Education Dr. Eliyahu Krigel, CJE

A Dvar

“We cannot solve our problems with the same thinking as we used when we created them.”

-Albert Einstein (1879 - 1955)

To solve our greatest problems, we need to change the way we think. This has happened to many of us time and time again since the Covid-19 pandemic. The students at FRS are now back in the building on the weekends which took a tremendous effort on behalf of the reopening committee and the strong lay leadership at HNT. Our teachers and teaching assistants have done a remarkable job keeping our students engaged in a meaningful way. Safety is our top priority, and we also are dedicated to teaching the next generation the sacred ways of our tradition through every obstacle we might face. To help change the narrative and the way we used to think about FRS we have had to become creative and adapt on many levels. We show our gratitude and thanks to the Jewish Federation of Greater Seattle for helping us change the way we used to think and help us to support the Shalom Project. Many thanks also to the Alfred and Tillie Shemanski Trust Fund for helping us think in a new way by enabling us to bring the Mitzvah Bus program to FRS. As we all continue to break through to new challenges which lie ahead, we look forward to the following two new programs at FRS thanks to the generosity of the Federation and the Shemanski Trust:

The Shalom Project on March 6:

Thank you to the Jewish Federation of Greater Seattle for funding the Shalom Project! The Shalom Project will provide household items to distribute to recent

refugees relocating to the Pacific Northwest, while learning about why doing so is such a fundamentally Jewish thing to do. Third – fifth grade students at FRS along with students at Mercer Island Presbyterian Church (MIPC) will work together on March 6 during FRS to meet the specific needs of these families. Our goal will be to provide a peaceful landing for refugee families in need by fully embracing this important virtue. So often refugee crises feel removed and far from home. The ingenuity of the Shalom Project is that students learn about the importance of welcoming and helping the stranger and then they actually get to act out this important value by meeting the needs of each refugee family in crisis. The Shalom Project connects students at FRS with students at MIPC in a meaningful way to work together on the shared value of welcoming the stranger and supporting refugees. Since 2010, Washington state has taken in about 2,500 refugees every year according to Kara McDermott of KUOW. With the recent political withdrawal in Afghanistan, this region has welcomed even more refugees to the area. By collecting needed household items for recent refugees, FRS students will engage in providing for refugees in a direct and meaningful way. Not only will we learn about the value of welcoming and being inclusive, but we will also practice this behavior by collecting items for refugee families. Stay tuned for more information. Thanks, Jewish Federation for all the support!

The Mitzvah Bus on May 15:

Thank you to the Alfred and Tillie Shemanski Trust Fund for support the new Mitzvah Bus program at FRS! The Mitzvah Bus will be an opportunity for students to take a vehicle on the last Sunday of FRS to a location in King County with the purpose of helping those in need through social action projects that would benefit the community. At FRS we want all our students to feel closely connected to their local Jewish community. The Mitzvah Bus will offer a field trip opportunity for our students to connect in a real and tangible way with the outside community. The primary purpose of the Mitzvah Bus is to enhance the emotional and physical wellbeing of our community by physically connecting students with local social action opportunities to benefit society and contribute in a meaningful way.

Todah Rabah, thank you so much, to the Jewish Federation of Greater Seattle for funding the Shalom Project and to the Alfred and Tillie Shemanski Trust Fund for supporting the Mitzvah Bus! May all your good work come back to you ten-fold!

Thanks for your participation and support!

Dr. Krigel's Special Mentions

- Way to go fifth and third graders for working together on creating bird houses during FRS. Group processing at it's finest.
- Nice job to the first graders for showing up and taking their learning so seriously.
- Kol HaKavod, all the honor, to the kindergartners for planting parsley during Tu B'Shevat.
- A very special treat at the end of the day of FRS: Rabbi Jacob Herber took selfie's with each class. What a fun visit.
- Thank you Jess Barber for being our volunteer health monitor for the day at FRS. We really appreciate your support.
- Wonder to learn with Hen Mazzig from Israel during our most recent Masa class. Hen helped us understand the complex social society in Israel.
- HNT honored Morah Gigi Bergman at the recent Jewish Educators Assembly for her exceptional work with our students online and in person. The engaging lessons Morah Gigi creates stimulate student growth and achievement. Todah Rabah, thank you so much, to Morah Gigi, for continuing to meet the moment by being enthusiastic about learning and by providing thoughtful content in a meaningful and relevant way.

We Celebrate:

- Faye Plum on her engagement to Art Rider
- Parents Lauren & David Lessman on the birth of Rory Leyser Lessman
